Virtual Coaching for Coaches

Sibme's AI-Enhanced Virtual Coaching for Coaches equips you with the tools, strategies, and confidence to maximize your impact.

What is it?

Sibme's 7-week Virtual Coaching for Coaches program provides a structured **1:1 learning experience** designed to help coaches **refine their practice** and apply **research-based coaching strategies.**

Who is it for?

New and aspiring instructional coaches

Veteran coaches looking for a structured framework

Teachers in leadership roles aiming to enhance coaching outcomes

What to Expect?

1:1 Coaching Sessions

Weekly 60-minute virtual meetings with a Sibme Master Coach.

Ongoing Feedback & Support

AI-enhanced data and insights to refine your coaching approach.

Transition from Learning to Application

Implement coaching skills with a self-selected teacher volunteer.

Personalized Learning Path

Tailored to your coaching level and needs.

> "My coach has been absolutely wonderful! I appreciate her feedback and insight as I am learning my new role of coaching. Her willingness to help is so greatly appreciated. She continues to help me learn about myself as I grow."
>
> *Kendra Houston, Cypress Fairbanks ISD*
